

Sabe Goes to Kindergarten!

Today is a special day, hooray, hooray!
I'm going to kindergarten, and I love to play.
I feel excited and a little shy,
And that's okay—let's give it a try!

I wake up in the morning, ready to go,
I'll wear my red shirt, and slip on my shoes.
I'll eat a good breakfast and then let's go.

When I get to school, I see friends all around,
Some are laughing and playing, some look a bit down.
I'll take a deep breath and remember this fact:
We're all here together, and our Teacher's have our backs.

In the classroom, I'll meet my Teacher, my friend,
She'll smile and say hello, and my worries will end!
"Hi, Teacher!" I'll say with a cheer,
She's here to help me, and that's very clear!

In circle time, we'll sit on the ground,
We'll sing silly songs and have fun all around.
If I feel a bit shy or don't know what to say,
Ms. Johnson will help me, and that's okay!

After circle time, it's time to play,
With blocks and crayons, I'll learn every day!
If I feel confused or don't know what to do,
I can raise my hand and ask my Teacher too!

Some days will be happy, and some days might be tough,
I might feel a little sad or think I've had enough.
But it's okay to feel this way, I take a deep breath,
My Teacher will help me, I feel less upset.

At lunchtime, I'll sit with my class,
We'll eat our snacks, smile and laugh!
I can be friendly, and then what I'll see.
I might make new friends, just like you and me!

At recess, we'll go outside to play,
I can run and jump and have fun through the day!
If I fall or get hurt, or feel on my own,
My Teacher will help me, I won't be alone!

At the end of the day, I'll feel proud and bright,
I'll tell my family all about my delight.
Kindergarten has ups and downs, it's true,
But with my Teacher's help, I know what to do!

Going to kindergarten is a new Journey for me.
I'm excited to learn what's out there to see.
With my family's support and my Teacher at school,
I know I'll do well because I have all the tools.
