“q̄xeləc, náćəmat 0əł kʷ0ə šxʷqʷeləwən”

“Ləts’emót Á:lxemsóxw”

**Activity / Resource Type:** Visual support

**Title:** hand Washing and Circle Time visual support

**Description:** Hand Washing: visual strip of 8 steps for hand washing. Circle Time: Visuals support with 7 prompts to support circle time expectations.

**Material Needed:**

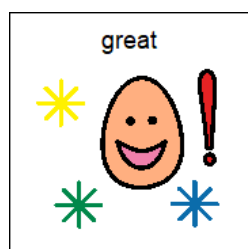

Printed visuals

**How-To: Hand Washing:** post the hand washing strip above or beside the sink where children will be washing their hands. This can decrease the amount of teacher verbal directives to support independence with this self-help skill. **Circle Time:** post this visual near the teacher running circle. The teacher can point to the visual if needed to remind children/ child of the expectation. Use the “Great” visual to let children know they are following expectations. Alternative, make a flip ring with larger visuals for teachers/ support teachers to use to remind individual children.

**Variations:** Teachers can separate out individual visual to go through each step one at a time.

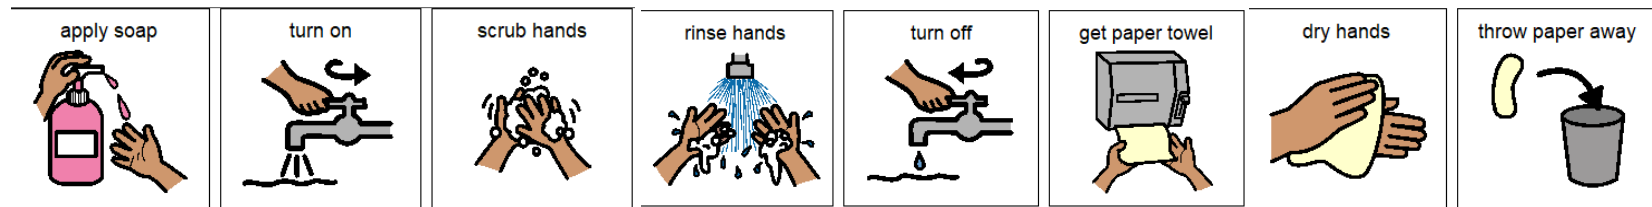

**Cultural Teaching:**

**Applicable Visuals / Templates for Activity:**

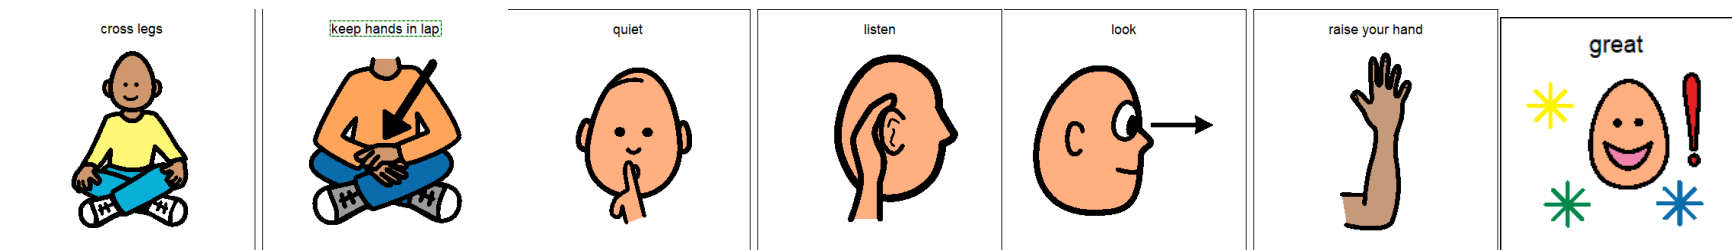

**Additional Resources to Compliment Activity:** See document attached.
